Objective

Seeking a job in more challenging and healthy work environment where I can utilize and enhance my skills and knowledge for organizational growth and commit myself to an organization.

Skills

Technical Skills
- Python (Pandas, NumPy, Sklearn, Keras)
- Machine Learning
- Oracle
- PL / SQL

Soft Skills
- Logical Thinking
- Analytical and Problem Solving
- Good Leadership Skill
- Adaptable

Education

- **B.E. Computer Science and Engineering**

  MEPCO SCHLENK ENGINEERING COLLEGE 2023

  CGPA – 8.87

- **Higher Secondary**

  The TVS School (Matriculation) 2019
  HSC – 87.67%

- **High School**

  M.K.R. Ayya Nadar Jeyalakshmi Ammal English Medium School (ICSE) 2017
  SSLC – 89.33%

Area of Interest

- Machine Learning
- Data Structures & Algorithms
- Database

Internships

- Currently Working with Ezovion as an Intern.

Project

Accounts Manager

This application is used to keep track of money in all the bank / wallet accounts in a single interface and also helpful in tracking budgets of an individual.
